Dear Member,

We are now drawing close to Mon 19th Apr and the opening of the outside green for you to again come and enjoy our game of bowls. Just to remind you under Government and Bowls England guidelines there are strict rules in force to prevent further outbreaks of COVID 19. Please read the posters placed inside the equipment shed and elsewhere advising you of what to do safely.

Information is on our website, this keeps you updated on when the outside green is open, how to book a rink and any further details you may need to know.

Remember the club house will not be open until 17th May, so no toilet facilities are available, arrive dressed to bowl and do not loiter in groups of over 6.

The friendly matches are also starting up again against other clubs on Thursday and Saturday afternoons and we will need your support to represent our club within the county. To make this a success we need a Thursday Captain and Vice-Captain and also a Vice-Captain on Saturday to support Mossy. If you are interested email the Outdoor Secretary Keith Thatcher keithcthatcher@yahoo.com
